

Quinebarge Times – August 2008

Greetings from Camp Quinebarge! We write this letter only days after the last campers have left! Camp is now empty and we are already looking forward to next summer... CAMP WILL BE FINE IN 2009!!! We have read some of the camper evaluations and there are some great comments about our great summer... remember, CAMP WAS GREAT IN 2008! ☺ Along with the comments, there were also some wonderful suggestions for the summers to come! We look forward to all the planning for 2009!

You will find an application enclosed with this newsletter, as well as a camper evaluation for all the campers that were unable to stay until the last day of camp! Please fill these evaluations out as soon as possible and return them to camp with great comments and suggestions! If you need more room or if parents would like to include some comments, please feel free to use additional pieces of paper! While you're at it, you might as well send in your application for next summer to guarantee your spot is saved for the weeks you're looking for!!

This year, we will try to add photos of camp throughout the changing seasons so you can see what it looks like up here with the changing colors, the white snow and the budding trees!

We have a very special weekend coming up in September that we want you all to know about! September 19-21 we will be having a family weekend right here at Camp Quinebarge! We have some families that have already signed up and requested certain cabins! We hope to get most of camp filled for the weekend real soon! Some activities you can expect include hours at the climbing wall, arts and crafts projects, waterfront time, campfires, cookouts, hikes, kickball games and family time. Please fill out the form at the bottom of this newsletter and return with your evaluation and application to hold your spot! There will be more information posted on our website by the end of the month!

Well, that's about it from up here at camp! Hope everyone enjoys the rest of their summer and has a GREAT start to the school year! Keep in touch and let us know any new news to share in upcoming newsletters!

Take care,
Nancy and Elena
