

Quinebarge Times – October 2005

Happy Fall...

Things up here at Camp Q are starting to wind down as winter preparations begin. Columbus Day Weekend was a wet and windy one with a lot of trees and branches blown down around camp.

Arnie has been busy re-roofing the wood shop and dining hall and is now moving on to draining the water from all the pipes and cabins.

I've been signing up to visit all those great camp fairs that you may remember attending before you were part of the Quinebarge Family. Now it's my turn to get some more campers to sign up. Speaking of sign-ups, if things continue with the number or early registrations I've been receiving, we may fill up sooner than ever before!! Save your spot and get your registration in now!! We will continue to offer the discount talked about in last month's newsletter until November 1st. That's coming right up so don't delay!

WHAT'S NEW FOR 2006?

Now everyone will be able to experience an outdoor camping experience without going on an out of camp overnight. With 75 acres to use, we are building our own outdoor hidaway. A remote campsite with camping platforms, campfire ring and cooking area, and plenty of room for your whole cabin to stay over. Each cabin will have the opportunity to spend the night and experience real outdoor living real close to camp!

2005 Memories....

Shannon was the first to get back to us with her favorite memory at camp....

"My favorite memory at camp was the first night we had the fire at piney point. We had to do a skit so we came up with miracle makeup and it made you look even worse when you put it on. They had me be the one who was the demonstrator of how good the makeup worked so I put makeup all over my face and messed up my hair and did the skit. That was my favorite camp memory! "
