(*So where's this "New Logo" from? Well...back in 1964, a kind man named Tom (yes, our Mr. B!) gave a dorky 12 year old named Tom a pennant from the Camp he was going to that summer...and, being a pack rat, Tom kept it all these years. Tattered and sun-faded it's logo is the idea for the "New" one...updated to include the website. Chances are this was a Moo Moore creation like our Monkeytown money...and if you are going to ~~steal~~ borrow ideas...steal from the best? Thanks, Moo! Thanks, Mr. B!!)
